

Map

We try to make finding fields as simple as possible by providing maps and putting up signs, but don't be the one who misses the first half because your map was upside down.

Things to know before you come:

Fields 10, 2, and 3 are NOT close together. The elevation changes make these in separate neighborhoods.

Field 2, or Coronation, is what we call our 'Home Field'. Not only is it our best pitch, it's where we have our master schedule, hold key match-ups, have Subway restaurant on location, and generally have the most fun.

Most of the lodging in Kimberley is found in the upper left corner of the map.
